

# CASE STATEMENT SUMMARY

2024 UPDATE | Based on 2023 Global Impact Summary

## MISSION STATEMENT & VISION

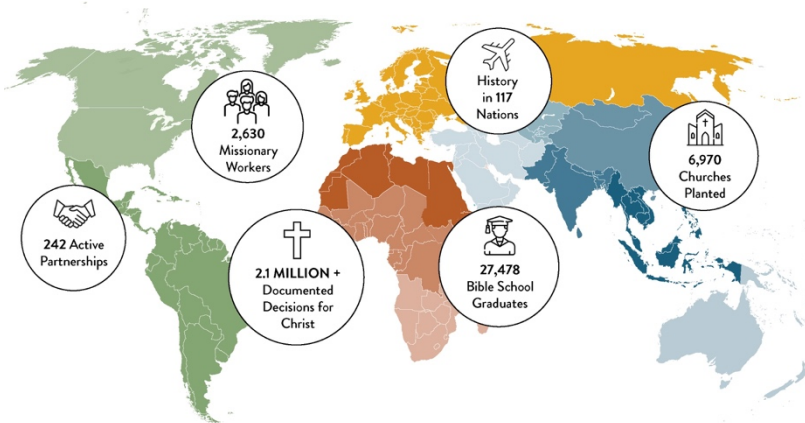

Go To Nations exists to initiate and accelerate missions ministry on a global scale until every tribe, every tongue, and every nation has heard the Good News of Jesus Christ. Go To Nations, in partnership with the body of Christ, trains leaders to change nations, ignites the fires of evangelism, brings hope to the hurting, and plants strong national churches. This is accomplished through our worldwide missionary field force and through increasing the ministry capabilities of individuals, churches, and ministries globally.

## ORGANIZATIONAL HISTORY

Celebrating 43 years as a missions agency, Go To Nations has been mobilizing and serving the Church worldwide since 1981. Each year, we continue to see tens of thousands of lives won to Christ, hundreds of thousands of people receive ministry, hundreds graduate from Bible schools, thousands of leaders trained and disciplined, and hundreds of churches planted.

## NEED & OPPORTUNITY

Go To Nations is strategically focused:

- With over 3 billion people having not heard the life-transforming message of the gospel, thousands of missionaries are needed to be launched into the harvest.  
*Go To Nations has documented that 2,149,218 million people have accepted Christ by equipping and training missionaries, church leaders, and nationals while cultivating strong leaders worldwide.*
- 828 million people do not have enough food to eat. 785 million people do not have access to safe drinking water.  
By increasing our capacity on multiple strategic levels, we will multiply our impact locally, domestically, and worldwide.  
*Go To Nations missionaries are transforming communities through education and literacy programs and by providing economic empowerment for thousands of families—lifting them from poverty and providing training for sustainable development. Over the past eight years, 1,265,984 at-risk children and youth have been ministered to through our missionaries.*
